Annual Toy Drive spreads Holiday Cheer at Bonita Springs Fire Control & Rescue District

For years the Bonita Springs Fire Control & Rescue District has been able to work alongside Toys for Tots and extend the generosity of toy donations to the Bonita Springs families that need it the most.

This year this meant serving nearly 364 local children! Donated toys were collected from multiple local businesses and communities throughout Bonita Springs. These donations allowed BSFD to provide each child gifts this Holiday season.

The Bonita Springs Fire Department also received a very generous amount of Target gift cards from one local donor. *“The generosity of the public is just amazing, the gift cards enabled us to purchase toys for the age groups where we received less”* said Administrative Director Iris Moore from the Bonita Springs Fire Control & Rescue District, *“from the 40 volunteers who helped make this toy drive possible, to the gift donations we received, it all made this Holiday season truly magical!”*
