

Attention: Residents and Pharmacists

BSFD Sharps Program

The Bonita Springs Fire Control District **does** collect used needles at every Bonita Springs Fire Station in sealed “Sharps” containers. Replacement containers are provided to residents.

Disposal of Medications

The Fire District understands that medications play an important role in treating many conditions and diseases, but when they are no longer needed it's important to dispose of them properly to avoid harm to others. The Bonita Springs Fire District **does not** accept or dispose of any used or unused medications.

So where can you safely dispose of these medications?

John's Pharmacy located at 9048 Bonita Beach Rd SE 239-221-7233

For additional questions or concerns please call BSFD 239-949-6200
