We would like to extend our gratitude and appreciation to you for your support during the recent fire here in the Fort Myers Beach community. It is very evident that the support of our neighboring Districts is crucial in emergency situations such as this and it's an honor to work together with such a great network of Firefighters.

The teamwork of everyone involved shows the passion for the duty we have in protecting the life and safety of all of our surrounding communities and for that we would genuinely like to thank you.

Please do not hesitate to let us know if we can do anything to help support your mission, and we wish you the absolute best.
