

January 2016

Dear Natalie,

Thank you for your generous donation to ALS Therapy Development Institute in support of our Second Annual Worthington Fore ALS Golf Classic. With your help, we raised over \$41,000 for research to find a cure for ALS! WOW! This is \$8,000 more than last year, and we surpassed our goal AGAIN!

Events such as ours allow the scientists at ALS TDI (ALS.net) to expand their Precision Medicine Program and accelerate the clinical development of potential treatments for ALS. This is truly exciting for all of us fighting this terrible disease.

The support from our local businesses and the enthusiasm of our dear friends both within and outside our Worthington community is overwhelming. We could not make this progress without your help. We are most grateful!

With sincere appreciation,
