Dear Natalie,

I'm writing to thank you for making the arrangements and thank you to the Fire Fighters for bringing the fire truck and keeping our Harvest Festival safe and incident free at Hope Lutheran Church on October 21, 2016. We had a wonderful turnout of over 750 people, with over 400 children that attended our festival. It was a great night of fellowship for the children and adults.

We greatly appreciate your help!

Sincerely,

Joyce Speakman,
Coordinator of Harvest Festival
