Re: Public Education Coordinator, Natalie Hughes

Dear Fire Chief Daigle,

On behalf of the Board of Fire Commissioners and staff of the San Carlos Park Fire Protection and Rescue Service District, I would like to express our heartfelt thanks to you and specifically, Natalie Hughes, for allowing her time to assist our District on Thursday, August 4, 2016. Due to increasing enrollment at Florida Gulf Coast University and their need for fire extinguisher training, Mrs. Hughes was essential in her assistance for the completion of that safety training. Due to her aid we were able to train 140 resident assistants and countless others that they service. It is an honor and a privilege to have Mrs. Hughes assist us and is a testament of what a dedicated professional she is.

The generosity of your organization greatly assisted our department in a time of need. Your Districts' willingness to use the "help when and where you can" approach is a prime example of the seamless service the citizens of Lee County experience and deserve.

I thank you and Mrs. Hughes, again, for the assistance and professionalism you all displayed. The continued support, professionalism, and commitment of your agency are greatly appreciated. If there is ever a time where the San Carlos Park Fire Protection and Rescue Service District can be of assistance, please do not hesitate to contact me at (239)267-7525. Trusting this meets with your approval, I remain,

Respectfully yours in Service,
