

Thank you Ms. Natalie
for an exciting day at
the Bonita Springs fire station!
Miles really enjoyed it & I
think it may have been the
highlight of our Florida
trip!

I included some pictures
I took too. Thanks again for
making our visit so special.

Love,
The Thompson
Family

No wonder there's
such warmth behind
the thanks this brings
your way—

Your thoughtfulness
brought so much joy,
it really made our day!
