UNION BUSINESS
Local 3444 Union Treasurer Eric Del Pozo reported that there was no new business to discuss. He noted that November (Movember) T-shirts and holiday shirts would soon be available for purchase by those interested.

COMMISSIONERS' BUSINESS
Commissioner Murphy, along with Fire Chief DeWitt and Vice Chairman Lohan, attended the celebration of life for former Fire Commissioner and former City Councilman Steven Slachta. They noted it was an honor to be there to remember him and all that he contributed to Bonita Springs.

Chairman Maturo expressed his gratitude to Chief DeWitt for taking him to Vehicle and Machinery Rescue (VMR) Training in Fort Myers. Commissioner Maturo was impressed by the District, specifically noting the professionalism of all employees in attendance.

Commissioner Maturo asked Chief DeWitt if there was any update on the Emergency Vehicle Technician (EVT) overtime issue. Chief DeWitt explained that two independent attorneys and the labor attorney reviewed the issue and issued two opinion letters concluding that the position does not meet the FLSA criteria for overtime eligibility. The third opinion letter is pending and will be shared with the Board upon receipt.

OLD BUSINESS
Chief DeWitt shared that the Brush Truck will be in service soon and that it is a combined high-water and brush truck that will serve dual purposes.

NEW BUSINESS
Chief DeWitt explained that a proposed Commissioner Post-Employment Benefit was discussed during the budget meetings. The benefit would be similar to that offered to the District retirees, but would be funded by the District rather than through the Voluntary Employees' Beneficiary Association (VEBA). Under the proposed terms, any Fire Board Commissioner, whether currently serving or serving in the future, who has served eight (8) years as a Commissioner would receive a post-employment benefit of $5,100 per year (before age 65) or $3,816 per year (age 65 and older, Medicare-eligible) to offset medical expenses. The Benefit would mirror the VEBA, including current and future modifications to the VEBA.

Commissioner Kerr motioned to approve the post-employment benefit upon the terms discussed. Commissioner Hugo seconded the motion. **The motion passed, 4-1, with Chairman Maturo voting Nay.**

A formal resolution will be prepared by the District's attorney and will be effective October 12, 2026.
